“ I worked with Ray at Star Paper Tube for 23 years. He was always so polite to me and actually did some work for me. He was a very talented carpenter. He built a gazebo for me that is still standing today. That was 30 years ago. He was so proud of his children and talked about them often. We are praying for the family and asking God to give them some peace and comfort during this loss. May God bless you in a mighty way!

“ Ray was a great builder of things and family. He always greeted me with a smile, a friendly pick, and an offer to eat or drink something. I enjoyed talking to him and learning things from him. He will be sorely missed and I pray for comfort for all his family and friends. Love you guys.
