I remember Brother Hipkins from a long time ago, when I was a little girl. My family always had the best time being around the Hipkins family. I miss those days. Brother Hipkins was a joy to be around. I miss his smile. I know that we will all see each other again. Stephanie Rivers

Vanessa and I would like to express our sorrow for your loss, a father and grandfather to you and a friend to us. Wade came here to assist us in our ministry and that he did. He didn't complain about the condition he was in although I know he had concerns. I really miss my family he said and I wish I could have done more for my grandchildren. More than once he expressed his love and concern for his family, he wanted you to understand the nature and seriousness of his work, you were never far from his thoughts, you were loved. Rev.21:4
