“ Randall and family time and distance has taken its toll on our family as does most. It seems like yesterday we were all together on the Mount cross road having meals at Nannies and George never believing it would one day end. I thank God for all our memories and I know they will carry us until we're all together again that care of your family and know that you are loved. Aunt Brenda

“ Carlton was married to my best friend and first cousin, Jean! He lived near us and he and Herbert became good friends also. They spent hours sitting on their respective four wheelers talking, before Herbert got so sick. We talked on the phone a lot also. We would put it on speakerphone and both of us would talk to him. I know he had a big welcome team when he got to Heaven!! Since Herbert went home he called me to check on me a lot. We enjoyed trading recipes. We loved him and I will miss him.
