“ Preparing for Tunstall's Class of 1971 50th reunion as we came across Donna's picture. None of the three of us there had seen or heard from her in years. Since she lived in my neighborhood and we rode the same school bus, I offered to try to locate her. It was with much sadness when I located her obituary. Please know that she will be missed at our reunion and will be fondly remembered along with the others. Prayers for your family.
