“ Possum, all your Goodyear coworkers will miss your visits and friendship. You worked hard at Goodyear and worked hard to fight for your health. Rest in peace with more sickness. It was a pleasure being your friend and especially being able to talk and visit with you several weeks back. Your memory will always be with us.

“ I'll always remember my cousin as "Peepers", an adorable little boy with beautiful eyes that earned him the childhood name of Peepers. Peep was named after my father -- another James Patterson. I loved them both dearly. May they rest in heavenly peace.

“ I will miss you more than words could speak. The days we spent deer hunting and just hanging out are some of my best memories and happiest times. And you were a true friend to me for 35 years you will be missed. I hope we are able to go hunting in heaven again one day. I love you Brother.
