“ The first time I saw Janice was at an Eastern Star Official Visit at the Kaufman Brydan Chapter downtown. I can still see her beautiful smile as she came over to welcome me as a new member. Janice was a beautiful example of what an Eastern Star Sister should be and is one of those ladies you will never forget.

Everytime I saw her after that, she always greeted me with that same smile, and I could just tell she was truly glad to see me. She was one of our beautiful " shining stars", and we will miss her.

Sending sincere sympathy to the family and friends in the loss of such a lovely lady.

Star love,

“ I remember the stories my mom, Mae Haywood, told me about the times she spent visiting the McNeelys at the old home place; she loved it there. And I personally remember how excited Mom and I would get when we'd learn that Aunt Janice, Uncle Leon, Brenda and Frankie were coming from Nebraska to visit Grandma Haywood in Danville. Aunt Janice was so much fun! I can still see her throwing her head back and laughing. In later years, after they'd moved to Danville, Aunt Janice and my mom would go to the movies. I remember one movie in particular that they thought sounded good. It was in the 1980's, so keep in mind, this was in the days before one could see a trailer on a cell phone or a computer. The movie was called, "Heavy Metal." I don't recall WHAT they thought it was about, but they were certainly surprised to discover that it was an adult animated sci-fi-fantasy. I don't even recall if they stayed to watch the whole thing, but I do remember the laughter that movie generated for years to come. (I have other stories, but some may not be appropriate to share here, although I know that Aunt Janice would laugh her head off if I did.) After my mom died, Aunt Janice and I stayed in touch. We'd talk by phone and laugh. Always the laughter. But we talked about serious things too. Our families, the past, both good and bad, and whatever was going on in the world. She was my last connection to my mom and dad; I will miss that. But what I will miss most is her laughter.

Until we meet to laugh again . . .

Love,

Donna "Haywood" Butler
