

John Douglas Williamson

April 14, 1932 - March 21, 2020

John “Johnny and John D.” Douglas Williamson, of Danville, VA, died peacefully, at home sitting in his favorite recliner, snuggled under his blanket, on Saturday, March 21, 2020.

John was born on April 14, 1932, in Halifax County, VA, a son of the late Jethro Amos Williamson and Laura Dalton Williamson. He was a graduate of Turbeville High School. He served in the United States Army during the Korean War and was awarded the United Nations Service Medal, Korean Service Medal with Bronze Service Star, National Defense Service Medal, Combat Infantryman Badge, and Good Conduct Medal. After returning home from war, he was employed by Southern Railway (later known as Norfolk-Southern) until his retirement. He was active in the United Transportation Union. He was of the Methodist Faith.

To put it simply, as a Daddy and Granddaddy, he was the best. Johnny enjoyed life. He enjoyed working on cars (definitely a Ford man), spending time at Hyco Lake, and most of all, family gatherings, large and small. He, like his siblings, was a storyteller and family gatherings were full of childhood adventures from growing up on a farm, working on the railroad, and life in general. He was kind and gentle, quick to lend a hand and share a laugh. He made friends wherever he went and treasured their friendship.

He is survived by his daughter and son-in-law, Terrie W. Chaplin and Richard Chaplin, of Ringgold, VA; his granddaughter and her husband, Amanda K. Chaplin and Thomas Burkhart, of Bellefonte, Pennsylvania; his grandson, Jarrod D. Chaplin, of Richmond, VA; his longtime friend and companion, Ann Cofflin, of Forest, VA; his sisters, Edith Meeler and Doris Ann Zimmerman, of Alton, VA, and Joyce Lewis, of Danville, VA; his brother, Robert Williamson and wife Marie, of Alton, VA; and his sister-in-law, Irene Williamson, of Alton, VA. He also leaves behind many nieces and nephews and extended family members to share his memory.

In addition to his parents, he was predeceased by his brother, Harold Williamson; and his brothers-in-law, Thomas Zimmerman and Fletcher Meeler.

The family would like to thank Jennifer Bates for the care she provided over the last year.

The family is aware that there are many people who would like to attend his funeral, however, due to the constraints of public gatherings during the COVID-19 outbreak, there will be a private graveside service at Calvary United Methodist Church, in Alton, VA. For the time being, the family encourages you to leave your memories and condolences online at www.wrenn-yeatts.com A memorial service may be held at a later date.

In lieu of flowers, the family suggests memorial donations be made to the Calvary UMC Cemetery fund, 2194 Calvary Rd., Alton, VA, 24520, or to the Fisher House Foundation, 12300 Twinbrook Pkwy, Suite 410, Rockville, MD, 20852.

Wrenn-Yeatts North Main Chapel is respectfully serving the Williamson family.

“ To Big Terrie from little Terry,
I am sad to hear this news about your wonderful father. I only have the best memories of him from my young childhood living next door to you all. Even after many years, when I unexpectedly showed up at his door while I was in Danville visiting, he had a huge smile and hug for me. I can only image the conversations he and Dad are having in heaven now. My love you to you during this difficult time.

“ I will miss seeing him, he reminded me so much of my Papa. Always joyful and kind. He was such a joy to see out and about, I will always remember how he could always put a smile on my face, as well as anybody he met. Thoughts and prayers go out to Terrie and the rest of his family during this time.

“ I was saddened to hear of Johnny's passing. He was a fun-loving, compassionate guy. One memory, years ago, before cell phones, will stay with me always. My daddy was in the Danville Hospital in a coma from a severe stroke. One morning on Highway 58 on my way to the hospital, the car just cut off. I veered if off the shoulder, which was near the street where Johnny lived. I walked to his house, and by chance, he wasn't at work! I asked could I use his phone to call Leonard. He talked to Leonard (who was at our home in Verona), and told him not to worry about anything. I gave him my roadside assistance card, and he took me to the hospital. He had the car towed, repaired, and parked in the hospital parking lot so I would have it when I left. It meant so much. I will NEVER forget his kindness. Love to his family, brother and sisters. He will be sorely missed by all his family and friends. Just thinking of him makes me smile! He made the world a much happier place. Barbara Gene Collie

“ My uncle Johnny was always an important part of my life. I have so many wonderful memories of him - like never having to stop at a stoplight, teaching me to swim, being my eyes as he taught me to water ski, teaching me to "cook with Crisco" and "shake it off"! He was a father and mother bundled into one and a wonderful uncle and brother. My Daddy and Uncle Thomas loved him so much (they were like the three musketeers or stooges:)! After Daddy passed away, I could continue to see him through Johnny and loved kissing the top of his head as I had kissed daddy's. I will miss him, his love of life, sense of humor, shiny bald head, and twinkling blue eyes. I loved him very much.

“ Our thoughts and prayers are with all the family. Johnny will be sadly missed by all his family and friends. He was a great guy who always had a smile to give and he always made you smile!! He was a long time friend of my father-in-law Ira Sherrill who Johnny called "Spider". They enjoyed many meals together at Mary's Diner talking about their work at the Railroad. Johnny could really tell some great stories about those days & more. We are praying for all the family. May God give you peace and comfort. Hugs, love & prayers! Ira (Spider), John, Teresa Sherrill & family.

“ I met Johnny when he visited his Doctor office where I worked. When I would pick up a chart and would see his name, I would be smiling before I even got to the waiting room to fetch him. He had that affect on everyone in the office! His joy was contagious. I'm thankful to have known this kind gentleman. Prayers for his family.

“ He was a joy to know. A big smile and non stop laughing throughout stories and stories he could tell so colorfully. Most all any “old car” things I know, came from his house. A beautiful person who gave me beautiful memories. He taught me to water ski and some pretty good Monopoly strategies. I will always hold your memory in my heart. Thank you for all the smiles.
