“ Tonya,  
Losing one's mother is very difficult and heart wrenching. I am so sorry that your mom is no longer here to support you as she did. You two were a team, always pulling together. I remember taking you and her to VT that summer you attended the Agricultural Governor's School. She was so anxious and nervous to leave you for a whole month! Please contact me if you ever need me for anything. I'll be here for you.  
Fondly,

“ Tonya and family,  
My sincere sympathies go out to you and family in the loss of your mother. I am sure she looks proudly upon you still from a place of no more suffering but joy and peace. May the memories you share comfort your loss and know her heart will forever be with you. As your former teacher, I too share in her motherly pride.

Much love ,
