“ Linda was more to me other then my dad's wife, she was like a mother to me, with the most beautiful memories that anyone could leave behind, they are countless, I will always cherish them. Her legacy speak for herself. Her children are all just as precious. She was truly a perfect example of a Godly woman with great values. She was a precious grand mother to my own children, when ever they needed someone to talk to she was there, if they needed just a ear she was there, she loved them as her own. Her love for my father and for one another, was and still is, a love that is hard to fine today, GENIUN or should I say AUTHENTIC, together they set A GREAT Example of God's love. She will be greatly missed. I send my love and condolences for the family. Love always, see you in HEAVEN mom..

“ Linda was my mother-in-love, and what a special lady she was! My husband of 32 years is a tribute to the ideals and faith that she lived her life by. Mama, I miss you so much. You wove such wisdom, joy, and love into the fabric of my life. Until we meet again, save a seat in heaven for me. Love you so much, Myra

“ I have so many wonderful memories of Aunt Linda. I was blessed to have such a wonderful loving aunt who loved the Lord. Words cannot express everything she meant to me. I have very vivid childhood memories of the lake, spending summers at her house with my cousins, and later in life having her as a trusted friend and confidant and so many wonderful visits with her and Willie. She was like my second momma especially after my momma (her sister Peggy) died five years ago. I feel a deep loss with her passing but so grateful for the promise of God that we will be reunited with everyone in Heaven. I will always love and cherish you Aunt Linda. See you in Heaven.

Love always

“ Grandma Linda was always so happy when she was with her grandchildren. I wasn't her grandchild but I still called her Grandma Linda. I have a lovely fruit bowl on my counter she gave me when I got married. It reminds me of her often. Rest In Peace precious lady with our blessed Savior. I am praying for the family you have left behind. May the Lord surround them with His presence and peace.
