“ My memories of Tommy go back to his late teens when I spent a lot of time on Wrenn Drive as the girlfriend of Ronnie. Tommy was funny and sweet - the perfect gentleman even as a teenager. I remember when he and Debbie started dating and she lived on Richmond Road - not too far from Wrenn Drive. They were so adorable together. I haven't seen Tommy for many years but I can surely say that his children can be proud of a father who was, as far as I could tell back in the 70's, perfect. The world is a lesser place without Tommy Pruett. Lee Ann (Squires) Lecheler

“ I am so sorry to hear of Tommy's passing. I hadn't seen Tommy in several years until this past summer he and Andrew came to play golf while I was working. We were able to reminisce a few minutes about growing up together at Shelton Memorial and playing basketball on Sunday afternoons after church. Tommy was a great man. Debbie and your children, Ronnie, John and the entire family, you will all be in my prayers. Richard Davis

“ I am saddened to hear of the passing of Tommy Pruett. I am a first cousin who has become distant over many past years due to distance and a busy life. I have wonderful memories of visiting with Tommy, Ronnie, John Jeffrey, Aunt Jo and Uncle Bob. I miss them all. As a former EMS Volunteer I must say that I am impressed with the devotion that Tommy showed with the Danville Live Saving Crew. His service record is certainly impressive. I really only knew Tommy as a young man, but am not at all surprised to know what a fine man he became. I am sure his absence will be felt by many in his family and community. My condolences to his family.

“ I talked with Tommy frequently at church. He was always quite personable and was very talented. He played the organ occasionally, played his guitar with the worship team, and operated the sound system. I am honored to have known him and was privileged to call him my friend. Earth is poorer, but heaven is far richer. Prayers for the family.

“ Tommy was an “adopted” member of our family—son, brother, and nephew. From the time he was born he was a part of us—through our church (the former Shelton Memorial Presbyterian) a neighbor, schoolmate but mostly- Tommy. He can never be replaced. Our hearts are broken as we share your loss. Love to all of you, Mama Owen and family and Daló. (He will always be Randy’s big brother)

“ I received devastating news this morning that my neighbor and friend unexpectedly passed in the night. A saint of a man who was there without hesitation for his friends and neighbors. A Life long member of the Danville Life Saving Crew, who when called upon in an emergency, even when off duty, dropped everything and came to the aid of those in need. He was in the ER when Mom had her stroke, he came to Dad's aid when his a fib was acting up, and was there to stir stew all day when we had a neighborhood gathering. His Christmas lights display was incredible, and he did it just for the joy of sharing with family, neighbors and friends. He touched so many lives in countless ways, and our community will miss his presence and everlasting smile. Rest in Peace Tommy Pruett. You will not be forgotten. It was an honor knowing you Sir.

“ I truly cannot find the words to express how sorry I am for your loss. Tommy, as well as each of you, are family in the most sincere way. Tommy and I grew up together from toddlers in diapers, to adults with the lives of our children and grandchildren still very much in each other's lives. His smile could always light up a room, even in difficult circumstances. We will miss him beyond words. Please know how much we and countless others love you all. We are here for you...always. Love, hugs, and prayers to each of you.

“ I am so sorry to learn of Tommy’s passing. He will be missed by so many people. TP was always the same every time I saw. Since moving from the Danville area I would occasionally get to see Tommy on golfing trips over the years. He was a Prince of a man. May God richly bless his family and friends during this time and always.
