“ To Tammy, Sarah, Jessica, Keenan, Kira, Mr. and Mrs. Howerton, and Angela...words cannot express the sadness felt by the passing of this great friend. He was always larger than life and loved by all who were fortunate enough to have spent time on earth with him. I will never forget the joys of living across the street from each other in Florida...I always knew where Jim was when I couldn't find him...hanging out across the street with his best friend Tim. The world now has a wonderful angel who will keep an eye out for us all just as he has done for so many years already...thinking of you all...and I am so sorry for your loss... Lisa Ware

“ A beautiful tribute to a life well lived! My heart and prayers are with all of Tim’s family. May our Heavenly Father wrap His loving arms around each of you and provide that magical peace and comfort which surpasses all human understanding and which only He can provide. Tim’s grand reunion with those who are linking the family chain has made Heaven sweeter for each of you and his friends as well. Relish the sweet memories he left behind and, though difficult to understand, know God makes no mistakes. Seize His Peace which is a given gift within your reach. Tim, thank you for your service and talent contributions to others.

“ Tim and I were great friends in junior high and high school. Since I was best friends with his cousin, Wendy, we all hung out all the time. He was sweet, funny, caring, and the best guy friend I could ever ask for during those young years. His smile always made me smile, and I am so grateful that he was a part of my life and I will never forget his loyal friendship. You left us way too early, my friend, but I know you have touched so many more people since our days at Bonner. You are loved and missed! My prayers are with your wife and daughters and your entire family! Sarah
