“ I only had the good fortune of talking with Mrs. Davis on a couple of occasions but I loved every minute of it. She was someone that you just met but you felt like you had known her for years. She will be missed so much but just think how happy she is to be in the arms of the man that she was devoted to. Dear sweet Kim has a rough road ahead of him but he is strong. I am so sorry for your loss but you got to keep her a long time.
