“ *My siblings and I always enjoyed visiting in Danville when we were young. We loved playing with Aunt Odell's children when we visited. It's too bad that we lived so far away that after we were grown we were not able to visit Danville. I wrote a family history book called JACOB BURTON and ALLIED FAMILIES and I had a POSEY FAMILY chapter in it. I donated a copy to the DAR Library in DC if you are ever there and want to see it. I would love to update the info on Marie and her family when I do a revision soon. My email address is lsiskron@mindspring.com. We are so sorry for your loss.*

“ Jerry Scott and the whole family I'm really sorry to hear of Marie's passing. She was so dear to me. I loved working for her the peanut shot we had so much fun. I'm sorry I won't be able to be at the service. I've just had surgery two weeks ago my appendix ruptured and so I've been in pretty bad shape, but I want you to know that I will be thinking of you all and may God bless each of you love Shae Durham
