“ *Hi, I did not know Alma personally but I know how very hard it is to lose a loved one in death and I wanted to express my deep sympathy. At times like this, Ive found Jesus Christ's words at John 5:28,29 to be very comforting where he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out to a resurrection of life." I look forward to that day. Feel free to contact me at the email address listed and again, I'm so sorry for your loss. I will keep your family in my prayers.*

“ *My grandmother was very special to me, I may not have shown her how special she was the last several years of her life but I have no doubt that she knew I loved her with all my heart and now she has left us to be a angel to all of us still here. I won't ever forget how she helped me out even when I did wrong and how she continued to love me after all the mistakes I've made. I love you Grandmaw Alma with all my heart and I will always hope you hear my prayers because there won't ever be another you on this earth and I will one day see you again, love you always Steven*
