“ *I worked with Al for a while. He was always good to me. He always had something funny to say, and it would always brighten the day. I would see him out occasionally at Walmart or something in Danville and he always spoke and didn't go the other direction. He will be missed, but remembered fondly. Condolences and prayers for the family.*

“ *I worked with Al at Camp 28. He always had a joke or funny story to tell and loved to make people laugh. I enjoyed working with Al. He would always share pictures and stories about his grandchildren. May God give you peace and comfort during your time of sorrow.*

“ I am so sorry, he was such a funny man! I loved picking with him when he came in to see us, as he would say " don't start nothing and it want be nothing". I sorry he had to go through so much and I pray for your strength!

“ I worked with Al at Camp 28 for several years. He helped to train me when I first started there. I always enjoyed working with him and I loved to pick and cutup around him. I always trusted him and you could count him whenever you needed help. I wish I could him seen him more the last few years, but my wife is disabled and my spare time is spent with her. I sure will miss him and I hope the family will be comforted in his wonderful memories. God Bless You.
