“ So sorry to hear about your mother, she was a great Aunt, fun to be around. I was just a kid when I first met this young and beautiful lady my Uncle Jim was dating in the 1960's. My prayers are with you!

“ There will never be another Andrea, she was a friend even if you didn't understand her. I will miss her hemming my pants but most of all her laughter. The many times she came to the beach. Andrea I still have pot holders you made for me and dish towels. Girl you will be missed and I know I told you that I loved you like a sister.. Rest in peace my sister. God Bless

“ Andrea was a Godly compassionate lady. Our many trips to the beach, doctor and the family gatherings was a blessing. Her cream cheese cookies and beef barley soup was spectacular. I would walk the dogs at the beach and on return she would be sitting in the glider reading her Bible with a big smile on her face. She taught Marissa, Colin and I a lot. Oh how Star and Luna loved her as they gave her lots of love. She loved the ocean and we swam a lot. Andrea is at peace now. RIP ❤️
