“ I remember talking on the phone with her and how much I enjoyed the conversations We did this until she got sick and no longer liked to answer the phone She was such a sweet lady I've thought of her often over the years of her sickness I was so sorry to hear of her passing but know she is happy in Heaven

“ Miss Anna, you will forever hold a special spot in my heart. You were patient with a young girl fresh out of high school. You taught me bookkeeping 101 in a general ledger with yellow and green pages. :)

Prayers to your family,
