“ *My special friend Anne has been in my life for many years and I truly love her she has been a real inspiration to me thru the years. She was a very Godly lady and I know she is rejoicing and no more pain but I will miss calling her and making my visits to see her.*

Becky, mom loved her P&M friends so dearly. Y'all brought such wonderful love and support to her when she needed it most. Thank you so very much for being there for her. The love between you two was so evident when you we're together. She will surely be missed, but she's sheltered in the arms of her Lord.

Don(nie) Upon reading of your mom's obituary this morning, it took my mind back several years ago. Much water has passed under that bridge and I sincerely hope your are doing well. I am on FB and if you are, would love to get in contact with you and catch up. I am sorry for the time of life when we must say goodbye to our parents. She is at rest.
