*My prayers and condolences to you Uncle Bud and my cousins for your loss. I was so glad we always kept in touch by Christmas cards. I was devastated hearing this as I just mailed her two cards two days ago. My sincere apologies and I know Aunt Anne is rejoicing in heaven with her family that preceded.
My love always, your niece Angel Harris Crosland*

“ *Mr. Witcher,
I am very sorry for your loss and was so sad when my parents told me the news of Mrs. Witcher's passing. She was my first grade teacher at Danville Christian, many years ago. I wanted her as a teacher and absolutely loved her! I remember she had a reading contest that I won, so she took me shopping and to dinner at McDonalds. She was the first of many teachers who inspired me to become a teacher too. Living in Ohio, I don't get home often, but we always exchanged Christmas cards over the years. She touched so many lives and will certainly be missed.
I am sending love and prayers for you and your sons during this difficult time.*

“ *Mrs. Witcher, was my 3rd grade school teacher, she was always so sweet. Even in my adult years when I saw her out and about she was still as sweet as she was when I was a child. Prayers for the family*

“ *Aunt Anne was such a beautiful person, inside and out. I have so many great memories that go back as far as my childhood. I spent several summers with her and my cousins in the summer. I remember helping them clear off the land that their house is presently on, blueberry picking. We made a point of calling each other at least every couple months to keep updated on our lives. Aunt Anne made a point to keep in touch with so many of us and its something that we will all miss. She's resting with the angels now and visiting with the lord. Miss you and love you.*
