

Anthony Eugene Reed

January 16, 1982 - December 25, 2020

It is with deepest sorrow, we announce that Anthony Reed, age 38, our beloved son, brother, uncle and friend passed suddenly on Friday, December 25, 2020.

Anthony was born on January 16, 1982 in Danville, VA and lived most of his life in Blairs, VA. He had a kind, gentle spirit. His contagious smile and laugh and unconditional friendship provided comfort and left an impression on many people throughout his life.

He graduated from Chatham High School in 2000. He was a member of Open Bible Baptist Church, Chatham, VA, where he was the pianist for several years and asked Christ into his heart in 1987 at age 5. Anthony graduated from Artistic Cosmetology College in 2014 with an Instructors Diploma. He was a talented cosmetologist and formed many lasting relationships with clients and co-workers that were like family to him.

Anthony leaves behind his parents, Larry and Marie Reed; his brother, Zach and wife, Carrie; his awesome nephews, Noah, Hudson and West who held a special place in his heart; and his best friend and mentor, Ed Edris. His very special cat, Zak, will be lost without him.

Due to current restrictions, there will be no formal funeral services.

In lieu of flowers, the family is requesting donations be made in Anthony's honor to the Danville Area Humane Society at 996 South Boston Rd, Danville Virginia 24540 as Anthony had a deep love for all animals.

Wrenn-Yeatts Westover Chapel is respectfully serving the Reed family.

“ Anthony worked with me at Master Cuts in Danville Mall and with me at Smart Style in Danville Walmart. Anthony was absolutely awesome at his professional career and He returned several times to work as a co- worker with us. We all loved each other Anthony was the Best smelling man ever and amazing at his job. Anthony was just Anthony one of a kind ❤️.
I know we talked about God many times and he didn't see things exactly as I did . I wish I had know he was dealing with issues again because I sure would have been there to listen and help.
God I ask that you be with all of his loving family and carry them through this . In Jesus name amen

“ I met Anthony when he worked in the salon at Walmart. We became instant friends talking every day. He used to tell me I was his test dummy for hair ideas he wanted to try. He'd gossip to me about his life and his feelings just as I with him, let me cry to him and then make me laugh. He became such a huge part of my life. Anthony truly touched everyone that he came in contact with. Whether it be his infectious smile, his outrageous laughter or just his genuine care for those around him. Anthony, I will forever miss you, and I will forever till the end of time love you. There will not be a day I don't think or you. I love you, you beautiful man. 💙

“ Marie and Larry, I was so sorry to hear about Anthony’s passing. I remember when he was born as I kept him in the nursery at church. Our paths crossed again when he started working at Kmart and I had the pleasure to talk with him. He was a true joy to be around and always had a smile on his face. Then our path crossed again when he was working at Master Cuts, he was very good at cutting hair and always so sweet. He will truly be missed by everyone that knew him. Prayers for you all.

“ Dear Marie, Larry, and Zach ... we are so very sorry to learn of Anthony's passing! Shocked does not begin to cover our reaction. I cannot even begin to imagine your grief and emotional pain. I am sure Anthony was only about 4 years old, maybe younger, when we met him and watched him grow up over the years at Open Bible Baptist Church. He was a beautiful person and loved by everyone. I know he will be missed by his family and circle of friends. It makes it even harder to not be able to see you in person and give you "mama heart" hugs. While I know those hugs would not cure your hurt, I do know they would help comfort a mama with a breaking heart! Please know we love you guys and are praying for you! May God provide you the comfort and peace you need at this time. We will see Anthony again one day!!! {{{{Hugs}}}}

“ Anthony and I met in 2009 at Chatham Health and Rehab. We instantly bonded and loved each other unconditionally. We shared many great times together and our demons seem to have danced with each other. He was one of a kind with a smile that would brighten anyone's day and a laugh that was contagious. I am devastated at the loss of him. Anthony, I have loved you since the day I met you and will miss you more than words can say. I will be praying that his family will find some peace in the days to come.
