“ Brian and Justin and other members of the family, I am so sorry for your loss. Arch was a good church member, good choir member, and friend at Unity Presbyterian Church. He was truly an asset to our church, and we'll miss him and his humor. It's been my pleasure to know him these last years since he returned to Danville. My prayers and sympathy for all of you.

“ Went to Tunstall High School, graduated in 1974, Mr. Archer was one of the coolest teachers I ever had. Often spoke about how he never counted me late for home room, he knew I worked and was never on time. Have good memories of him. Was sorry to read of his passing. C.D. Reynolds
