“ Family,

We had the privilege of working with Wayne on our church's yearly mission trip to Kentucky to build a house for a needy family. Your father/husband was a great Christian man and a pleasure to know. Wayne was such a great example for me to be a Christian construction manager.

In the short time we knew Wayne he made a great impact on our family, and he made it clear to us how proud he was of his.

Our love and prayers go out to you!

“ Dear Bishop family, I am so sorry for your loss. I went to middle school and finished high school with Wayne, and I'm so shocked to hear of his passing away. My mom taught school with his mom, and my sister finished high school with his brother. Wayne was a wonderful person, classmate, and friend and I know you will miss him.

“ Beth, Anna, Kate and Tobin-

There is nothing we can say or do to help you at this time other than stay close to God and he will carry and comfort you. He will give you anything you need, at any time, if you just ask.

Know too, that you are in the prayers of many people who love you and God will hear those prayers.

“ Dear Family of Wayne Bishop,

I never had the opportunity to meet Wayne, but my brother (George Woody) spoke of him fondly on so many occasions that I felt I knew him. Wayne also assisted in putting a new roof on my parents home, for which we'll be forever grateful. It's obvious that he was a true friend and man of God, who gave sacrificially. Even though your hearts are broken now, you have a husband, father and brother to be very proud of and heaven is blessed to receive him. Your family is in my prayers.

Sincerely,

Mary Driskill

“ *Dear Family,*

I am so sad to hear the news of Wayne's passing. I attended school with Wayne from kindergarten all the way through high school. I drive by Wayne's childhood home regularly and often think of him and smile. I still remember a childhood birthday party that Mrs. Bishop had for Wayne in the backyard. Wayne was a wonderful person and friend who touched the lives of many. Please know that my thoughts and prayers are with you during this difficult time.

“ Bishop family,

When I think of Wayne I think of a great man of God. Working for him, I was greatly impacted the more I got to know him. It was very important to him that we started each day of work with prayer. I remember him praying and telling God that "all things come from you Lord.." I was blessed to have worked with Wayne and to see how he lived sold out to God. My heart is heavy, and i am saddened by your loss. I am praying for you,
