“ I met Barbara at the Masonic Lodge in Reidsville many years ago, probably 23 years. Bob and Barbara were at a dance that Mike and Donna were holding on Friday nights. She was so welcoming to meeting me and others. She absolutely was a beautiful lady with a genuine smile. When Barbara didn't feel like dancing she would laugh at Bob dancing with some of us. We had a great time with both of them. Bob you two were God-joined. Thinking of all of you at this time. Vicky Smith Arrington, Burlington

Barb your smile, your laugh, your beauty inside and out will never be forgotten. I'm thankful for the times we shared at our annual family reunions at Aunt Bet's and Uncle Nick's house where we talked for hours, ate crabs and played baseball all day. I'm thankful for the phone conversation we recently had to catch up on your family and our Maryland cousins. May you rest in peace. You were loved and will be missed by so many. Barbara was a beautiful, kind, loving person with an infectious smile. I felt happy and loved whether talking to her on the phone or being together. She sent cards on holidays that I did not even know were real holidays, just to show her love. The world was a better place with her in it. Barbara, I love you and will truly miss you, but I know when I think of you, it will bring a warm loving smile to my face.
