“ To Barbara's family: My sincere sympathy for the loss of Barbara. Many times when Fred and I were working together at the flower shop, many conversations were had around our own family. Needless to say Fred took over the conversations most of the time. His stories of he and his sisters were the most entertaining, I can hear him now! Have some comfort knowing Fred has already welcomed his sister into his arms saying, "what took you so long?" Barbara was always a kind person and for that she brings a smile to me this morning.
