“ So sorry to hear of Barrie's death. I remember her from school. Because she was an upper class-man and so pretty, I always looked up to her. As we got older, I got to know Barrie a little better. Such a sweet spirited person. Please know that I will be praying for her family during this difficult time.

Pam, Rodney and all the children and grandchildren, I am so sorry of the loss of Barrie. We were good friends in high school. She was always so sweet and always laughing and happy. Didn't have any idea that she was so sick! This breaks my heart! Rest In Peace Dear Barrie.

“ It's so hard to believe you are gone. From day one you was like a second mama to me. Fun loving, words of wisdom and the best homemade bread. I think when we were teenagers you always had a batch of that bread in the bread machine on the counter smelling up the house. Thank you for the memorable beach trips, shopping adventures and comforting words when I was down. You will forever hold a place in my❤️. May you fly high and Rest In Peace until me meet again. I love you Mama Barrie 🥺🙏
