“ *Bea had a wonderful sense of humor! She, my mom, and I traveled to a couple of reading conferences at Longwood together and she kept us entertained. Sad to read of her passing, but I rest assured that she is in a better place.*

“ Aunt Bea was my Dad’s sister. They always had a close relationship and shared a love for each other, family and teaching. Dad was a high school teacher and Aunt Bea was an elementary school teacher. When my brothers and I were young children, Aunt Bea would spend the night at our house on Christmas Eve and wake up early Christmas morning so she could watch us open our gifts from Santa. You could tell that she was just as excited and happy as we were. I love my Aunt Bea and will miss her.
