“ Church, family, and community were priorities in our Uncle Rob's life. We always had great conversations at family gatherings in Chatham, and also picking butter beans and other produce in his abundant garden, and during special times at Blairs Baptist Church.

Among many things, we were amazed that our Grandpa Harraway and Uncle Rob constructed a beautiful brick home in Blairs while being available to help those in need of a friend. Always a man of humility and service, we miss our dear uncle, but are comforted by the assurance he is with the Lord Jesus in the place He prepares for all who love Him (John 14).
