“ I am very sorry for your loss. I know this must be a tough time, but please allow God's word the bible to comfort you. There we read of the many promises that Jehovah God makes to us. In Revelation 21:4, he promises to do away with pain, suffering, and death. And in John 5:28,29, we have the hope of seeing our dead loved ones again, living forever on a peaceful paradise earth.(Psalms 37:11,29)

“ I Love and miss you mama, now you are resting and catching up everything with all of the others with a cup of coffee like always. I'll always have my first cup with you no matter where you are. This is not good-bye but so long, we will see each other again. Don't worry, I will take care of everyone here. Hug and kiss everyone and tell them I love them. I love you always.

“ I didn't know you personally, but I knew and loved and help take care of Sue when she was sick. She loved you very dearly, and I know if you are anything like Sue then you are a fantastic lady. You two may now rejoice together in Heaven, no more cancer, you both have those heavenly bodies. Until we all see each other again. Give Sue hugs and kisses from me.
