“ I am so sorry to hear the passing of Bessie. She was such a sweet lady . My son was two years old when we first met her. She would walk the neighborhood for exercise and he would stand in the door and wave at her. Every since she called him her little buddy. He is 12 years old now. Each year they exchange birthday gifts as his was on Oct 23rd and hers Oct 11. We still has all the cards she has given him and on each one she would always sign Bessie Carter “your buddy”..We are going to miss you Bessie..We love you..Forever in our hearts.

“ *To the family and friends of Bessie, I would like to express my sorrow in the loss of Bessie. My thoughts and prayers are with everyone who loved her. I worked at Belks with Bessie, and got to know her when Marie Dewberry and she would come to the mall every Friday night after dinner out. I always enjoyed talking with Bessie and considered her my friend. God bless.*
