“ *My heart is broken this beautiful sweet lady. I met several years ago through her sweet daughter Jamie as we work together in law enforcement. She would give me the biggest hugs and kiss on the cheek just like my own mother. With tears streaming down my face im so sorry for your lost. But one precious day I will see her again in glory. “ My thoughts and prayers go out to Larry, Jamie, Renee, Bill, and all members of the family. I have lost a dear special friend. Betsy and I have been friends for many many years sharing much laughter and tears. She always listened, showed much care, love, and concern. There was always a smile on her face.

If Betsy could speak to us right now she would say “don’t worry, I am at peace, my pain and suffering is all gone now; just love and care for each other.”

May God bless and comfort you all.

Love,

June Adams

“ Betsy was a wonderful neighbor of 25 years who became a good friend through our love of animals. We "mothered" numerous stray cats and the first batch of kittens we shared gave us a lasting friendship. My entire family remembered her kindness with the passing of my mother and sister with the wonderful Red Velvet cakes no one can copy. Steve and I will miss her greatly but we know she is in a much better place and when we see her again it will be with a joyous healthy body and spirit. Our thoughts and prayers are with her family.

“ Betsy and I were friends for years. We lived on the same street. She used to practice twirling her baton in front of her house. She helped me practice on occasions. I always wanted to be a majorette or Kiltie. We were good friends with many wonderful memories.
