“ A loss to Family, Friends, and the State of NC. She was one of my very few true friends. She advised Governors, Legislators and Cabinet Secretaries. She was a great friend to me and my former wife, Diane, who died Feb. 11. I know Heaven was ready for them. I think.

“ I did not know Betsy but know that she must have been a wonderful sister to my friend Caroline. Knowing Caroline, her work, her energy, her love of life means that I also knew Betsy and family if only a little bit. She went too early but that must mean that God had some work for her in Heaven. God only knows (really) politics could use another angel. I join your family in your time of grief.
