“ *So sorry to hear of Betty's passing. I hadn't seen her in several years. Always thought the world of her. We skated a lot together back in the old Park View days. Sweet lady & fun to be around. Prayers for the family.*

“ My heart aches to learn of the passing of Bettie Boo! I've known her since Jamie and I were small tykes running around Girard Street when our grandmothers lived across the street from one another! Fast forward 10 years and we ended up as neighbors on Franklin Turnpike where Bettie was every kid's "mom", she was such a free spirit and so fun to be around. There was always a yard full of bikes and a pile of teens inside and out! She accepted us all, no questions! Jamie had many friends and as we grew into adults we found ourselves friends of Bettie, she was more than just Jamie's mom to many of us! What I will remember most about Bettie Boo was her sense of humor, her signature laugh and the love she had for her many dear friends and her pets. I find myself struggling to discuss her in the past tense! She loved to pick at me and always addressed me by my surname or first and last, NEVER by my first name which I always thought was "our thing", that she held a special place in her heart for me. I'd like to think so anyway! The world is a lot less special w/o Bettie Boo in it! I was so happy for Bettie when she met and married Jeff, he always treated her with the upmost respect and admiration and I know his heart is breaking! Thank you, Jamie and Jeff for sharing Bettie Boo with us. I'll treasure my memories, Lord knows there are a lot of them! Godspeed, Bettie Boo save me a seat, I'll bring quarters for the juke box! I send my deepest sympathies to the Gammon, Milam, and Collins families! God bless!
