“ *I worked with Betty at the Health Department for many years. She was a kind and beautiful person. I would run into her at the YMCA after she retired and she seemed to be enjoying her retirement spending time with her sister. She will be missed.*

“ *Betty Jo is how I will always remember her. Her sister, Debbie, is my sweet friend. Betty Jo always had a smile on her face and a kind comment to whomever she was speaking. May God wrap his loving arms around her family. Comfort them and give them peace.*

I met Betty back in 1980 when I started working at the Health Dept. She fast became one of my best friends. She was one of the best people I ever had the chance of meeting. She helped me through many trials in my life and always encouraged me. I loved her dearly and will forever miss her. Praying for her family.

“ Dear "Betty Jo",
You are my cousin, friend, and "buddy". The year we lived there, you were so kind to me and always let your "little kid cousin" tag along in the "big red truck" to get drinks and a nab (I loved my "brownie" chocolate drinks). On top of that, you were always willing to taste what ever treats I made for you (yuk) and in return you would always offer me chocolate pie (my favorite).

Your caring and loving spirit will be missed here... But, I know you were weary from all the Earthly trials of late and you have most assuredly earned your respite. Until we meet again, all our love to you and all our family and friends, to include those that have gone before - such a joyous reunion, and all in the presence of our loving Savior...

“ I met Betty when I became an employee of the Danville Health Dept in 1975 when it was known as the Black Hospital on Winslow St. She took me under her wing at that time and became a sister to me! One of the sweetest people and best friend anyone could ask for! We shared a lot of our ups and downs! I talked with her about things that I never discussed with anyone else and I never heard anything from anyone that I told her! She was always there to listen and offer her opinion or advice if asked! She shared so many memories with me- college graduation, marriage, pregnancies and divorce and single parenthood! I will truly miss her as I know anyone that knew her will also! Thoughts and Prayers to the family! Keep her sweet memories close to your heart to find comfort! Iris
