“ *I hope Aunt Billie knew how much we loved to visit her and her family when we were growing up. We packed into the house like sardines, but all we knew were memories of so much family. She had a twinkle in her eye, would sometime say something inappropriate, but true and make all of laugh. Her gift to me was a magical time time of my life that I will always and forever cherish. And, nobody could make a better cube steak. Rest well, Aunt Billie. I love you.*

“ *Many fond memories of sleep overs at the Foster home with Lisa in our high school years. This was my second home. Billie always made me feel welcome and loved. Billie was also a great cook. I loved my time there and think of it often. My thoughts and prayers are with you Lisa and your entire family. May God surround you with His loving embrace until you meet again.*

Always remember her great sense of humor! What a delightful person who would always keep a joke going. What a remarkable job Lisa and Terri did taking care of Billie! Prayers for strength and comfort during this hard journey.

Terrie Sue, Lisa and family, so sorry for your loss. Billie Rae and I worked together for 17 years and were very close. We stayed in touch after retirement and it was always a pleasure to hear from her. I will miss her calls and going to visit her. Praying for you all.
