“ *She was sweet and shined with love from ear to ear. Growing up and seeing Bonnie mostly at large family gatherings was always a treat. She was so excited to see everyone, especially us kids. The older we got the more we learned to appreciate seeing her at Christmas, Thanksgiving, and cookouts. I will always remember the way she use to light her cigarettes and the love she had for her brothers and sisters. The only thing Bonnie ever wanted was a cigarette, sweet tea, socks, and the occasional money. Her innocence will always resonate with me and I will carry her with me always. I wish I gotten to spend more time with her, I hope that we can all as a family spend more time together.*

“ *One of my memories of Bonnie was us talking together enjoying our cigarettes back when we both smoked, she had a laugh that was indescribable and she had a way of making you laugh too! Bonnie was a good hearted person and I'm glad she has earned her wings and she's safe in the arms of Jesus and her mom and dad. Fly high sweet angel 🙏*

My memory of Bonnie was us all working for Mr. Wrenn and then sitting on a bench eating ice cream. We used to pick blackberries so mama could make blackberry dumplings. I also remember as children on Saturday night listening to the Grand Ole Opry on the radio, we would look at the back of the radio and say we could see the men and women singing, we would laugh! I loved visiting her and enjoyed watching her eat.

“ Bonnie loved gospel music and she loved to sing! She loved having visitors! While visiting her at hospice you couldn't understand most of her words , so low u could barely hear them! But when I asked her if she believed in Jesus she looked directly into my eyes and said yes very clear and strong ! She was like herself again ! She knew what I meant ! Thank God she got saved a while back!She's finally home now!

“ Bonnie loved sweet tea. Her face always lighted up when one of her brothers or sisters visited her and took her dinner. She loved her family!
