“ *My Dear William, I will never forget how you went into the woods to cut down this huge double trunked Christmas Tree for our first Christmas after my Father Homer died. Remember, at the lake house, and you put it in this old barrel. Your heart and thoughtfulness has always had no bounds. Your Father, as well, was an absolute true friend to my Father. I am saddened to hear of the passing of your Son. Just know that The Thomasson Family will always love you. We are here for you if you need us. May God's love comfort you in the days and years ahead. Most Sincerely, Pam Thomasson*
