“ I only knew Brenda for 3 years in nursing school. I moved to Richmond and lost contact with her. But for the short time I knew her, I knew she was going to be an excellent nurse, and I am not surprised that she became a loving wife, mother and grandmother. My sincere condolences to the family. I know she will be sorely missed. ❤️

“ My sincere condolences to the Haraway Family on the loss of precious Brenda. I only knew her as the dedicated, compassionate nurse who took excellent care of me at Internal Medicine Associates years ago. In her quiet loving way, she could soothe any anxiety that I may have had. I uplift you in my prayers that you may all find a path of light, comfort, and peace in the sad days ahead. I know she loved you so very much.

“ *Dear Tim and all of Brenda's family,*

It is very sad to have lost Brenda so soon. She was such a special person. Even when we were kids, there was just something about her that made you know she was going to be a wonderful adult, wife, mother, nurse. Nursing was a natural for her caring nature.

I am so glad that we got to spend some time with her, Tim and Uncle John T and Jerry the last time we were in Danville. Visits to Danville won't be the same without stopping by April Lane.

With love and prayers, Cousin Betty Ann

Tim and Family,
It is with mixed emotions in seeing that Brenda had passed . . . knowing how much she will be missed and knowing that she is no longer suffering. Benda and I went to grade school and high school together. She was always so quiet and nice to everyone. Please know that she will be remembered at our 50th class reunion in October.
