“ Brian was a man among men. The most sincere, honest, caring and loving friend anyone could ever hope for. I didn't have the pleasure of knowing early worley as long as most my friends yet truly he was amongst the best. To have the honor of watching this man with his family, wife and kid more than once made me question my past. My prayers go out to you all. I cannot fathom what you, his family, are going through I will never forget the time spent with you my friend my brother. Forever missed and cherished. Rip worley bird.

“ This is the hardest thing I've ever had to do in my entire life. My soul mate, my rock, the absolute love of my life is gone. He was the best at everything, being my husband, being a father, grandfather, uncle, friend, son. You name it and he have it his heart. He truly loved his family and friends. I'm so thankful for the wonderful 21 years he gave me.

*I still don't know the right words to say, Misty. You know I love you and I hurt because you hurt. I just hope you will let God give you and your family the comfort and strength that only He can. Brian will be the breeze through your hair on a calm day and you'll feel him deep inside your heart. We never understand why some go young and others live in to their 90s, but we are not to question God. Just look to Jesus and we will keep all of you in our prayers. We love you to the moon and back again!!*
