“ To the Rigsby Family, I am sorry for your loss. I send my condolences to you and yours.
The Bible makes it clear that God did not originally intend for humans to die.
As the Bible explains: "Through one man [Adam] sin entered into the world and death through sin, and thus death spread to all men." Romans 5:12. After sin and death entered the world, God revealed that it was his purpose that the dead be restored to life by means of a resurrection. Yes, Almighty God has not only the power but also the desire to resurrect persons whom he chooses.
Jesus Christ himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28&29.
May Jehovah God and Jesus Christ be with you and your Family?

“ This little angel on earth is now HOME. HER LIFE IS A TESTIMONY TO ALL THAT ARE LEFT HERE. SHE HAS CHANGED SO MANY LIVES THROUGH HER LIFE AND HER HOMECOMING. I Know THIS FOR FACT. I WANT A RELSTIONSHIP WITH CHRIST LIKE SHE HAS. MANY OF MY FAMILY AND FRIENDS ARE FEELING THE SAME WAY. EVEN THE ONES WHO NEVER MET HER. THERE IS NO DOUBT IN MiND THAT SHE IS STILL GOING TO BE A LIGHT IN THIS WORLD AND PEOPLE WILL COME TO JESUS BECAUSE OF HER... SHINE LIL ANGEL SHINE. . UNTIL WE MEET AGAIN..??

“ *Brianna was my sister, my baby, my best friend. Words can't describe how much I'm going to miss my other half. If there was anyone who could light up the room or my day, it was her. Brianna was the biggest blessing I've ever and will ever receive in my life. God used her to touch and impact lives since the day she was born. how I'm going to miss watching cartoons and playing with my baby!!! I know and believe with all my heart that Brianna's eyes were open to things ours weren't. Brianna was truly an angel on earth who had to go home, and we were just blessed to be a part of her life. Brianna got her ultimate healing. She is so much better off there, but I'm just gonna miss her so much. But the hope in all this is that I know without a doubt that we will be reunited one day. And each and every day that passes, it gets closer. And I can't wait!!!! Brianna, I love you with my whole heart and you have fun up there baby and I'll see you soon.*

“ *Praying for all of the family. I couldn't imagine what it would be like to lose any of my siblings. Brianna has always been a strong, beautiful girl and I admired her way of overcoming all of the obstacles she's faced in the past. I hate it that she had to leave us, but I'm comforted by the fact that now she's safe in heaven & she feels no pain or hurt anymore. I love you, Kimberly, and if any of the family needs anything, I'm here.*

“*Brianna was one of the most beautiful people I've been blessed with having in my life, inside and out. I am so thankful that I was able to have her not only as a twin sister but as my best friends. Words can't describe how much I love this little girl and how happy I am going to be when I get to see her again. She was always there when anyone was upset, trying to make them feel better even though she had more reason to be upset than any one else. Whenever any of us at the house was sick, she'd try her best to make us feel better. She could be mean to me and others all the time, but that was just her and I'll miss her yelling at me for picking at her and getting on her nerves just like any little brother would. This world will never be the same without my little baby girl here, because she was my world and we were hers, but now she has a new world to enjoy with a perfect body and mind - which she deserves more than any one else. I'll miss you and think about you every single day, but I know you're as happy as can be to finally be where you belong. You were too good for this sinful world and we can't wait to see you again. I wish every one could've gotten to experience knowing this wonderful, beautiful, and funny girl. I love ya Bean, you were the best sister any one could've asked for. Rest easy and enjoy your new body, little girl! :)*

“*Brianna was such a barrel of fun. She loved babies and every time we would come around with them she was all about them. This past Christmas Brianna, Camden, Kinsley and I played Hungry Hungry Hippos for the longest time. The laughter of those three innocent little angels still rings in my ears. Yesterday I went to lunch and got a sandwich plate which came with a pickle and I could not stop myself from thinking of how much "Bean" loved pickles. She was always kind, loving and funny even though she didn't always feel well. I know that she is in Heaven smiling down on us. I am truly thankful that I became a member of the Rigsby family and had the pleasure of knowing Brianna. She was such a strong, beautiful girl and will be kept in our hearts forever.*

“ My daughter Olivia was introduced to Brianna about 3 or 4 years ago by her Godmother, Robin Crumpton. Robin was also Brianna's teacher at CMS.

Their favorite thing to do was go to CC 's pizza and play games in the arcade.

Christmas before last Brianna touched many hearts of some strangers and made a grown man cry. You see, there was a live nativity scene set up on the Trails by the River. When Brianna walked by and saw baby Jesus in the manger she reached over and kissed

him. Not realizing what she did touched so many people. We will miss our "play dates" with Brianna and Miss Robin!
