“ He's my older brother. He had to put up with four younger sisters... oh the memories. So many. We spent time outdoors, playing ball. Walking along a creek that ran through the woods. We had our own nature trail.

We went out and cut our own Christmas trees. Some of them were real beauties..lol.

Calvin was strength when we didn't know we needed it. He was always dreaming about fixing up a \$50 car 🚗 🚗.

Remembering my brother with much love. I believe the Lord has welcomed him home ❤️
