“Perry, Carolyn and the rest of her sweet family, I am so sorry that I was unable to attend Carey's celebration of life. I have enjoyed knowing her from back in the 1970's as we taught at the same school. We have recently attended two school reunions from where we taught. I had no idea when I seen her at the last event in April that she would be gone so quickly. She looked her usual good self. I will miss her. Please know that my thoughts and prayers are with you all.
