“ Dear Becky,  
I was saddened to read of Carl's passing. I know how difficult losing your best friend will be. I am so honored to have known such a kind and faithful friend. In memory of Carl I would like to send my memorial gift to the Danville Area Humane Society. I know how much Carl loved his boxers and the joy they gave. I am volunteering there and will remember him as I spend time with those animals. Thinking of you today in the days ahead....Your friend,Mary (Dr.B)

“ I met Carl and Becky at an ice cream shop on riverside years ago when going through a divorce...they invited me to come and hang out at Sheetz..and I remember thinking” hang out” at a store lol! Well I was getting gas there weeks later and sure enough Carl and Becky was over there hanging out. From that day my life changed. I met so many friends that I love and also met my husband! Carl, you was a truly great guy and you will be missed! Prayers for Becky and family!
