“ I'll always remember the times Carol would call out of the back door for Denise, when she was very small, she would follow her big brother John on his many adventures through the woods on the Booth farm. I have so many fond memories of the whole family. The Booths and Hastings always made us feel like family and I love them all. Growing up with John and Denise I was privileged to accompany him on some of his adventures. The Hastings took me to see my first movie at a real theatre. My heartfelt sympathy goes out to the family, and you are always near in my heart. My oldest sister Marie also sends her sympathy.

“ Carol was such a sweet and caring mother as well as a faithful wife to DC. I remember how my parents always spoke highly of her since they grew up with her. I went through 12 grades of school with John and had come to know Carol as a caring mother who taught her children well. May God bless the Hastings and Booth family during this difficult time. Heaven surely has gained another Angel.
