“ I know it is a blessing that our dear Carolyn has been released from her suffering, I am so grateful to have known this lovely woman and call her Aunt Carolyn as she was married to my mom's brother, Bob. God blessed them with a happy marriage, but too short for them both. As Uncle Bob often said, "If you have your health, it means everything."

I send sincere sympathy to Carolyn's sister and extended family in Virginia and NC. I loved her and thanked God for sending her to Uncle Bob as a devoted wife. They visited my mom often in their younger days & fun was had by all.

Blessings and sincere condolences to each of you,
