Knowing this is a difficult time for you, I am very sorry. Carolyn was an exceptional person, and it was great visiting you all when we were children. She was the best and always welcomed me with open arms. When your mother passes away the feeling is different and unique, and I wish there were something I could do to lighten the feeling. Always know your mom loved you as she loved so many people because she was one of a kind. My prayers and thoughts are with you all.
