“ Lisa and family, We are so sorry to hear about your mom. She was such a good person. We will never forget the good times we had when she would come out and visit us. My mom always talked about how much fun they had when they were together. She will always be remembered. CJ and Kim

“ Cathy and I served many years together on the Maupin City Council and became great friends. I was sad to see her leave our area and move to Gresham but we kept in touch every Christmas and I so enjoyed her handwritten letters. She was very proud of her children and spoke of them often. We are better people because we were lucky enough to have Cathy in our lives!
