“Charlotte, you were such a loving, kind woman. You also had a sense of humor about you. I remember my first day at Hylton Hall as an 18 yr. old high school senior (1974) getting my 1st part-time job. Brenda threw a rubber mouse on your desk and you screamed to the top of your lungs. My desk faced you and I truly got broke in that day! I have always loved you, because you always treated me with such kindness and respect. When I was going to adventure out a few years later to go to my next job, you said to me, "our loss will be their gain". I never forgot that because it meant a lot to me coming from you.

“ I would just like to say to the family that I worked with Charlotte at Dan River until she retired, and I must say that she indeed exemplified the character of Christ. I enjoyed being around her, and experiencing her wonderful sense of humor. She never tried to offend anyone in any way.

She was a jewel. I am glad I had the opportunity to work with her, and could truly call her a friend.

To the family, I pray God's blessing and strength to you at this time.

With sincere sympathy
