“ *Lisa, My condolences on the loss of your mother. Not sure if you would remember me - my parents were Elwood and Helen Adams - my Dad was your Dad's cousin of some sort. I remember visiting both of your parents occasionally as I was growing up. Such engaging and intelligent people - both of them. And your mother was so charming. She always updated us on what was going on with you and was clearly so proud of you and her grandchildren. May your many happy memories give you comfort at this difficult time.*

“ Lisa, Dean and girls.

Clarice was a wonderful lady. In fact, just classy! Jimmy and I were not too long ago talking about how much we missed Patton & Clarice. Patton would call to see what I had bought at an auction and they would come the next day to see 'specialty items' (that Clarice enjoyed most) and we so enjoyed those visits. There are special memories for us. And I know you and your family have those as well. So remember them as treasures. She was a beautiful lady and will be greatly missed.

*Love you,

“ Lisa, Dean, and Girls,

I know that you have heavy hearts today and will have for some time. I hope it makes you feel better knowing that she is in God's loving hands now. She will have no more pain, only peace and joy.

Thank you Lord that You are a refuge in times of trouble and that You love all who trust in You.
