“*I met Courtney when I was around 18, and for a short while we dated. Despite our breakup, I always considered him a friend. Courtney was a people person and could sell snowballs to Eskimos for sure. I have many fond memories of Courtney (CC) and recall how he was always the life of the party. I recently found out he was in a local nursing home. Rest easy CC...I imagine you are making everyone laugh in Heaven...my condolences to the family and friends.*
