“ Dear Big Brother, I know you are gone, but I still wanted to let you know that I will think of you every day and miss you in my life. You were the best big brother a sister could ever ask for. Growing up with you I always felt protected, it was and will continue to be an honor and privilege being your baby sister. Even though you can't see or hear me I just wanted to tell you that I love you with all my heart.

A special poem just for you

IN MEMORY OF A SPECIAL BROTHER

By an Unknown Author

*Today is full of memories,
of a brother laid to rest
and every single one of them
is filled with happiness*

*For you were someone special
always such a joy to know
and there was so much pain
when it was time to let you go*

*That's why this special message
is sent to heaven above
for the angels to take care of you
and give you all my love*

Love you Big Brother Robin
